## Non-Federal Equivalency Recipients for 2024

The municipalities and sewer districts listed on this report did not receive disbursements for federal equivalency projects in 2024. This is either because they did not receive any disbursements or because the EIF did not designate their projects as federal equivalency. The EIF did not disburse federal funds subject to Title 2 U.S. Code of Federal Regulations Part 200 and the US Office of Management and Budget Single Audit Uniform Guidance to these borrowers in 2024.
