

Non-Federal Equivalency Recipients for 2025

The municipalities and sewer districts listed on this report did not receive disbursements for federal equivalency projects in 2025. This is either because they did not receive any disbursements or because the EIF did not designate their projects as federal equivalency. The EIF did not disburse federal funds subject to [Title 2 U.S. Code of Federal Regulations Part 200](#) and the [US Office of Management and Budget Single Audit Uniform Guidance](#) to these borrowers in 2025.
